

December 23, 1940

Mr. Julian E. Palston
Attorney at Law
Brown Building
Wichita, Kansas

Dear Julian:

I just received your good letter of the 20th instant and we are getting ready to push off for New York.

I will see if we cannot find a ball for you but frankly we have a awful time in keeping in stock any kind of a ball. The Varsity, Freshmen, Intramural, and checkroom generally wear out most of the balls so completely that they are not much good after they have run the gauntlet of these four activities. However, I will do the best that I can for you.

We are playing in Wichita on the 3rd, and I hope to have a chance to visit with you then.

My kindest regards to you and your good wife and here's hoping that you and yours will have the Happiest Yuletide and the Most Prosperous New Year that you have experienced in quite sometime.

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball Coach
