Dear Dr. Allen:

In your absence on your trip East, Miss Gerstenberger sent me, in accordance with your instructions, a basketball which was forthwith turned over to Bill.

He has practically torn the house apart and most of my New Years Day was spent in our basement throwing the ball through an old tire which was the only basket available. I wish to thank you very very much for your kind consideration and courtesy. I am sure that the utmost pleasure will be the direct result of your kindness.

I am planning to see the Wichita University Basketball game tomorrow night and if I see anything I believe would be of interest to you, will pass the information on. If there is anything in particular you want to know about this team, please drop me a note of inquiry.

With very kind regards to yourself and family, I am

Sincerely yours,

JER:VR
