Mr. John W. Bunn,  
Dean of Men,  
Stanford University,  
California.

Dear John:

I have received a letter from Coach Lindley, of Southwestern University, Los Angeles, California, asking for a game in February. He says:

"Our schedule this year includes games with the University of Oregon (National Champs), Washington State, Gonzaga, Western Washington, St. Mary's, San Diego State and U.C.L.A."

I am wondering what their standing is, and would like to have you tell me something about this school.

Cordially yours,

Director of Physical Education and Recreation,  
Varsity Basketball Coach.
