Mr. Otto Rost,
Beaumont High School,
St. Louis, Missouri.

Dear Otto:

Thank you so much for writing me regarding Bob Abrams. Bob wrote me and of course wants to come to Kansas, but the tuition and other factors are quite a problem. We couldn't do anything for him except give him a small amount of work which would be very inadequate to help him through in a big way.

I am glad for you to tell me about Kenneth Wulfeneyer. I would be happy if you could sell him on coming to K. U. You contact him, Otto, and at the first opportunity I have to be in St. Louis I will get you to have me meet him.

Now, regarding the good news. I am happy that Mr. A. O. Anderson, director of physical education and recreation, will recommend that you be made his assistant. I am glad that you have your 12 hours of graduate work at St. Louis University, and am very sure that you will be able to apply this on work toward your Master's degree at the University of Kansas. However, we are checking up definitely on this with Professor E. E. Bayles, advisor in graduate work in the School of Education. I will write you again very shortly after he has checked up carefully on the requirements.

I am enclosing a mimeographed copy of Programs of Graduate Study in Education which will help you, I am sure, in making your plans. I am awfully sorry that I have delayed in writing you, but I have been up to my ears in work.

With kindest regards, I am

Very sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
