Dear Doctor Allen:

I want to express to you the appreciation of our Program Committee as well as the entire Club for your appearance before our group on April 29th, and the splendid talk which you gave. I was obliged to miss this meeting, as much as I regretted it, because of being on the Trade Trip, but since my return I have heard nothing but favorable comment resulting from your talk and appearance. You made a distinct hit and won many friends for yourself and for your University. We do greatly appreciate the contribution which you made to our program year.

With kindest personal regards, I am

Sincerely yours

Chairman, Program Committee
