Athletic Director,
University of Kansas,
Lawrence, Kansas.

Dear sir:

At a decision recently reached by the athletic council and approved by the president of the University, Southwestern would like very much to send its basketball team to the midwest for several games the first part of February.

Could you see your way clear to give us a game in Lawrence on the night of Wednesday, February 7th?

Our schedule this year includes games with the University of Oregon (National Champs) Washington State, Gonzaga, Western Washington, St. Mary's, San Diego State and U.C.L.A.

Any fair monetary arrangement will meet with instant approval and may we have the pleasure of hearing from you in an early mail?

Very truly yours,

S. Lindley Coach
