Dear Mr. Ross:

I shall be very happy to speak to your Rotary Club on Monday, April 29th. I note that your meeting is held in the Lassen Hotel, and the time is 12:15 noon.

Thank you for your congratulations on the showing of our team in the N.C.A.A. Tournament. We are, of course, proud of the way our boys came through.

Looking forward to seeing you on the 29th, and with best wishes, I am

Very sincerely yours,

FCA:AH

Director of Physical Education and Recreation,
Varsity Basketball Coach.

P.S. I find that the train schedules are such that it will be necessary for me to drive my own car. The state does not provide traveling expenses, and I must charge five cents a mile each way for the trip. I trust this will be satisfactory with you.
