Phog Allen  
Varsity Basketball Coach  
University of Kansas

Dear Mr. Allen:

Well, here it is another basketball season again, and if you aren't too busy I wonder if you couldn't give us another lift with a little information.

We're merely roundup up some notes on how the teams shape up in every section of the country, and in conjunction therewith, we'd appreciate it very much if you'd give us a few choice sentences on the situation in the Big Six and Missouri Valley in general. It would help, too, if you could list a few of the boys who are most likely to star.

I realize you won't be able to go into detail....be as brief as you want....but of course, the more dope you have for us, the better. Thanx much.

Sincerely,

Jerry Brondfield  
Sports Department.

P.S.

You might have the Kansas publicity man send us some pictures of your outstanding Kansas players if you have them available.
