Dear Phog:

Thank you very much for your letter of the 23rd instant. Mrs. Ratner and I greatly enjoyed the visit with you and Mrs. Allen and the team. We are happy that you could spend the evening with us.

We are looking forward to receiving the Goal-Hi basketball outfit. It surely is mighty nice of you to send this to us, and I know we will get a lot of pleasure out of it.

The children are looking forward to receiving the basketball. They will get a real thrill out of having it.

With very best wishes, I am

Sincerely,

Payne Ratner
