Mr. Floyd Rowe,
Board of Education,
Cleveland, Ohio.

Dear Floyd:

I do not want to bother you with this detail, but the research work done by Harry Newman at Collinwood High School never reached me. I am anxious to see what Harry did on the study, and I would appreciate it if you would see if he sent it on to me.

I trust that you are in splendid health and that everything is going well with you.

Sincerely yours,

FCA:AH

Chairman, Research Committee.
