

The High School  
CLINTON, MISSOURI

DEPARTMENT OF PHYSICAL EDUCATION

GEORGE E. RAMSEY, DIRECTOR

February 4, 1938

Mr. Frank W. Keaney

Basketball Coach

Kingston, Rhode Island

Dear Sir:

As a part of our work in our hygiene class in the Clinton High School, we are preparing a project on temperance education.

We are trying to secure information from the outstanding basketball coaches of the United States as to their personal objections to their athletes using alcohol.

Your opinion on this question will be greatly appreciated.

Yours truly

Bonnie Jean Brecht
