Dear Phog :

Are you issuing any 'K' tickets to the Kansas-Indiana game here in Kansas City next Saturday night? If so, I should like very much to have one in Bonnie's name.

You are to be congratulated upon your splendid work there at K.U., Phog, and upon the team of clean boys playing for you. Say "GOOD WORK" to Bobbie for me.

May I hear from you if my request fits in with the policy of handling tickets for this game?

Sincerely yours,

Lottie Reber
