Mr. T. C. Reid,  
Northwest Missouri State Teachers College,  
Maryville, Missouri.

Dear Tad:

Happy to hear from you as of your 19th instant communication. Yes, we are hoping we will be able to reverse results when we play Missouri here on March 1st - - that is the date, Tad.

We are playing Nebraska tonight, and there is only one other game here, which is February 12 with Iowa State, but nevertheless we are sending you a schedule so that you can check up on our erring ways.

I have spoken to Earl Falkenstien regarding the tickets. He is very nice in saying that he will honor your "K" and one extra on account of your former profession - so you will pay for two, Tad. The tickets will be in your name at the box office.

Thank you for your kindness regarding the Reid family to the Allens. It is reciprocal, I assure you. Please remember me to your fine president, Uel W. Lamkin.

Sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball Coach.

Dear Phog:

Of course, I hated to see the result of your game last night in the paper this morning but that has made me more determined to see you reverse the results when you play Missouri at Kansas. Will you let me know when Missouri plays Kansas at Lawrence and set aside four tickets for me. When you let me know the amount due on these tickets, I will be glad to send it.

Give all the Reid family's kindest regards to Mrs. Allen and save a little for yourself.

With very best regards.

Sincerely,

*Tad*

Dear Doc:

This morning when I arrived at the office I found a special delivery letter from you and you may expect the PLAYTIME ACTIVITY bulletins very soon. I had five of the bulletins in my office that I am sending to you complimentary and would gladly have sent the entire group if they were going from my department. However, since I had but five copies, I have referred the order for the remaining twenty (20) copies to the Supply Department and they will bill you for the twenty (20) copies.

Anytime that I can serve you, I shall be happy to do so. With best personal wishes.

Respectfully,

Dr. F. C. Allen  
Kansas University  
Lawrence, Kansas

Dear Doctor Allen,

I am writing you  
in regards to the possibility  
of a position with the University  
as athletic trainer.

I had intended making  
application last fall after Dr.  
Deer left, but I had already  
signed a contract with Case  
School of Applied Science.

I am thirty four, married  
and have one child.

My educational qualifications  
are two years of Pre-requisite  
work & four years of Osteopathy,  
and twelve years experience  
as a collegiate trainer.

I may refer you by  
permission to the following  
persons able to speak of my  
work and character.

1. Andrew Kern - Colgate University
2. Ray A. Ride - Case School of App Sci.
3. W. F. Henry - W & J College
4. Charles Cramer - Gardner, Kansas

My reason for wanting  
to leave Case School is

<sup>111</sup>  
that I should like to become  
affiliated with a larger  
University.

If my qualifications  
interest you, I would appreciate  
any courtesy you may  
extend.

Very truly yours

W. E. Rees D. C.

DEAR ROTARIAN:

The Lawrence club was inducted into Rotary, April 6th, 1917, a tumultuous and never to be forgotten day, for on that date the United States declared war on Germany. We gathered in the dining room of the old Eldridge Hotel, and love of country and patriotic fervor surged thru our veins.

Since that date we have had so many fine members, who have left us to go elsewhere, or who for various reasons are no longer one of our active company, that at this time we are inviting each and every one of them to be our guests at our regular Rotary meeting, Monday, February 19th, at the Eldridge

We want to again shake their hands, to enjoy their companionship at our luncheon, and to have them feel that the members of today, both old and young have a real interest in all of those who have helped to make Rotary what it is in Lawrence.

We hope that you will be with us, but if circumstances prevent, let us have a word from you "For the Sake of Auld Lang Syne."

Cordially yours,

LAWRENCE ROTARY CLUB

JOHN JACOBS, President
