Mr. Floyd Rowe,
Board of Education,
Cleveland, Ohio.

Dear Floyd:

I am hoping now since your return from the hospital in Ann Arbor that you are your old self again and clicking on all twelve cylinders. It is a great satisfaction to a fellow to have a check up and to know that the old ticker is o.k.

I am sending you a carbon copy of the letter that I have written Coach Harry Newman, at Collinwood High. I trust that you will give Coach Newman the benefit of your sagely advice regarding the research work. I am anxious that you and your coaches do some work on this because I have done so much of it that every time they see me coming they think of "Hi! Phog Allen".

I see where Henry Iba in New York came out for the 12-foot basket, so we are winning converts slowly.

With all good wishes to you and yours for a very happy and prosperous New Year, I am

Very sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
