

November 6, 1939.

Mr. Floyd A. Rowe,
Board of Education,
Cleveland, Ohio.

Dear Floyd:

I am very sure that you will be able to get E. C. Quigley. We have a game here with Oklahoma Aggies on December 5th, which precludes the possibility of my being with you this year. Some of our boys are in football and we only have a few days after Thanksgiving to get ready for those tough fellows from Oklahoma.

So I am going to ask you to excuse me this year, but I am hoping that I may have a rain check for the future. Thank you for your kind invitation and your politeness in asking me.

You tell Dr. Bill Edmunds that the added inducement of your offer would be enough to over-balance my reason at most any other time except when it is necessary for me to keep the wolves from the garage door.

My kindest regards to you and to my good friend, old husky Bill.

Sincerely yours,
