

J Kuhlman
Columbia, Mo

Dear Dr. Allen -

I have applied for a fellowship at the University of Washington while doing work for my Masters and have given your name as reference. Its been thirteen years since I graduated from the University of Kansas and I doubt very much if you remember me or my work there at all but I'm sure if I recall to your mind that I'm Frank Buckingham's daughter, you'll remember me. I can still see you showing Dad how agile
