Mr. Dan Rhule,

Campus.

Dear Dan:

I just learned this morning that you are in the hospital for a couple of days with some sort of a knee infection or difficulty. I want you to know that we trust the affection is not too great to permit you out in the course of a few days.

We learn that Dr. Francisco is to be called in on your case, so I am happy that you are having the finest professional care that is obtainable in this part of the country.

I know it is a disappointment that you will not be able to take your final examinations, but from the angle of our department I assure you that you will receive the utmost consideration.

I am dropping this note to you in lieu of a visit. I want you to get out of there, because if you don't I will have to come over and see you.

With all good wishes, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
