

# WEAVER AND HARP HONOR GUESTS AT ROSEDALE FRIDAY

---

Frank "Buck" Weaver, coach of the national A. A. U. basketball champion Healey Motors, and Richard Harp, sophomore court star at the University of Kansas, will be the alumni honor guests at the All-Honors banquet at Rosedale high school Friday, May 6.

Weaver was graduated from Rosedale high school in 1924 and Harp finished at the local school in 1936. Dr. F. C. "Phog" Allen, basketball coach at Kansas, will be the principal speaker.

The All-Honors program is arranged to honor the football and basketball players as well as the leaders in all other school activities, all of whom are guests at the dinner. The school annually makes it a point to do honor to two of its graduates who have done well in their particular fields, one of them of the older group and one a recent graduate, according to Dudley Bentley, principal.
