

Allen - 2 -

11-9-37

It may be that I will get to Lawrence for the Aggie game and if so, I will make it a point to see you so that I can give you any more details that you may desire. I trust that you will keep this information confidential since I expect to have to deal with these men for some time to come.

Hoping to see you this week-end and with kind personal regards, I am

Yours sincerely

*Julian E Ralston*
