Mr. E. C. Quigley,
Director of Athletics,
University of Kansas.

Dear Ernie:

Johnny Parker, the coach at DeSoto High School, called me the other day about one of his seniors - Forrest Pontious, Jr., who desires to come to the University. Forrest is the son of the superintendent of schools at DeSoto.

He is a fine basketball player, will not be 18 years of age until next January, and will need some work this summer and next fall. I told Coach Parker that there is plenty of work for him at 50¢ an hour. We are keeping his name on our list, and I am merely sending you this notation so that you will have a record in your office.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
