Mr. E. C. Quigley,
Director of Athletics,
University of Kansas.

Dear Ernie:

The Chamber of Commerce is on their annual membership drive. Mike Getto is the captain and I am his lieutenant. Your name is on my list for a call upon you.

For about 18 years I was a member of the Chamber of Commerce and paid them \$25.00 a year for the privilege of their fine cooperation. When I was Director of Athletics I suggested that it would be a fine thing for Earl Falkenstien to be a member and for the Athletic Association to pay his \$15.00 fee, which is a special price for professors and faculty employees.

The Chamber of Commerce holds itself ready to help in all football and athletic activities, and I would very much appreciate it if you could send me a check by return mail as this is supposed to be a one-day campaign.

Most business houses and organizations pay the membership of their directing heads, and frankly, I think this membership should be taken care of by the Athletic Association. At any rate, we would like to have you as a member of the Chamber of Commerce in Lawrence, Kansas.

Thanking you for your fine cooperation, I am

Sincerely yours,

FCA:AH

P.S. Ernie, I am writing this to save the time that I usually take up in a conference.
