St. Marys, Kansas.

Dear Ern:

Our entire family listened in on your "You Can't Do That" program last night. It was lovely of you to pay us the compliments you did, and the entire family is indeed thankful to you and gratified that you would be so nice to them and to us.

After the program was over Mrs. Allen said she felt very much like the fellow who had attended a funeral of one of the old city residents and when the parson got through, one of the old timers got up from his seat and walked over to look at the corpse -- he wasn't quite sure that the preacher was talking about the same fellow that he knew. The sermon was so full of eulogies and the old reprobate during his lifetime had been such a bad actor that he thought the minister was talking about some other fellow.

Thank you, Ern.

Cordially yours,

Director of Physical Education and Recreation,  
Varsity Basketball Coach.
