Mr. Henry H. Quigley,  
St. Marys, Kansas.

Dear Heinie:

Your good letter came to my desk last Saturday, but I had previously engaged John Carmody of Haskell, and Armin Woestaneyer, one of your good Sigma Chi brothers, to work this freshman-varsity game. As you know, Woeste is secretary of the Kansas Relays Club and active in sport activities, so naturally we drew the boys from close at home, as this is not an important contest.

Wishing you continued success, and asking to be remembered to your good mother and dad, I am

Sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball Coach.
