Mr. E. C. Quigley,
1909 RCA Building,
New York City, N.Y.

Dear Ernie:

We are so far along with our baseball class, and I will be out next week on commencement dates and the Big Six Meet that I feel it would not be wise to try to schedule a discussion of the rule changes this spring. However, I wish to thank you for your kindness in remembering us. Perhaps at some time in the future we can work in such a lecture.

Very sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
