University of Kansas Department of Physical Education, Lawrence, Kans.

Gentlemen:

JME.a

Commence of the same

Thank you very much for your request for quotation dated August 16th, We have filled in your form and enclose same herewith.

The first item on which we have bid was the 12 Rawlings No. AXH Laceless Basketballs, and you will note we have bid these at a price of \$15.85, or a total of \$190.20. This is the latest quotation that we have on these balls, but as we have none of them in stock at the present time we must necessarily reserve the right to increase this quotation in the event that they should be billed to us at a higher price. Also are quoting on these subject to our ability to deliver, although we do feel reasonably sure that we can obtain these balls in the event that we are favored with your order. However, we cannot say exactly how long might be required to make delivery.

On all of the other items on which we have bid we have the merchandise in stock and immediate shipment could be made.

On the basketballs, volley balls, and footballs there is a 10% Federal Excise Tax included in the quotations which we have made you. If you are in position to sign an exemption certificate on these three items you could deduct 1/11 from the prices quoted.

All of these quotations are f.o.b. Kansas City, Mo. and are subject to our usual terms of 2% for payment within 10 days from date of invoice or 30 days net.

We want to thank you very much indeed for the opportunity of quoting you and hope that we may be favored with an order.

> Yours very truly, R. S. ELLIOTT ARMS CO.

Dept. of Physical Education University of Kansas Lawrence, Kansas

Gentlemen:

In response to your request for quotation on athletic goods under date of August 6th, wish to say that we have filled in our quotations on all items on which we could bid, and may we say that the items on which we have bid are in stock at this time, and if your order is placed promptly for any portion of the items on which we have bid, immediate shipment can be made.

We reserve the right, however, that if the order is delayed and the merchandise is not available at the time the order is placed or the prices have advanced to first notify you as to present quotations and availability of such merchandise.

Also, in this connection, we are quoting prices F.O.B. Kansas City and the carrying charges to Lawrence will be added to the amount of the invoice.

For your convenience we have enclosed herewith a copy of our catalog #85 on which we have referred you to the page number on which the article we have bid on is described.

We thank you very much for the opportunity of placing this bid and hope to be able to furnish some of this equipment.

May we say that in view of present market conditions, our suggestion is that wherever you place your order, the quicker that you can place the order the better because under present market conditions with the O.P.A. ceiling off of all sporting goods of this kind, the manufacturers are certainly advancing prices very rapidly.

Yours very truly,

R. S. ELLIOTT ARMS. COMPANY
