Gentlemen:

In response to your request for quotation on athletic goods under date of August 6th, wish to say that we have filled in our quotations on all items on which we could bid, and may we say that the items on which we have bid are in stock at this time, and if your order is placed promptly for any portion of the items on which we have bid, immediate shipment can be made.

We reserve the right, however, that if the order is delayed and the merchandise is not available at the time the order is placed or the prices have advanced to first notify you as to present quotations and availability of such merchandise.

Also, in this connection, we are quoting prices F.O.B. Kansas City and the carrying charges to Lawrence will be added to the amount of the invoice.

For your convenience we have enclosed herewith a copy of our catalog #85 on which we have referred you to the page number on which the article we have bid on is described.

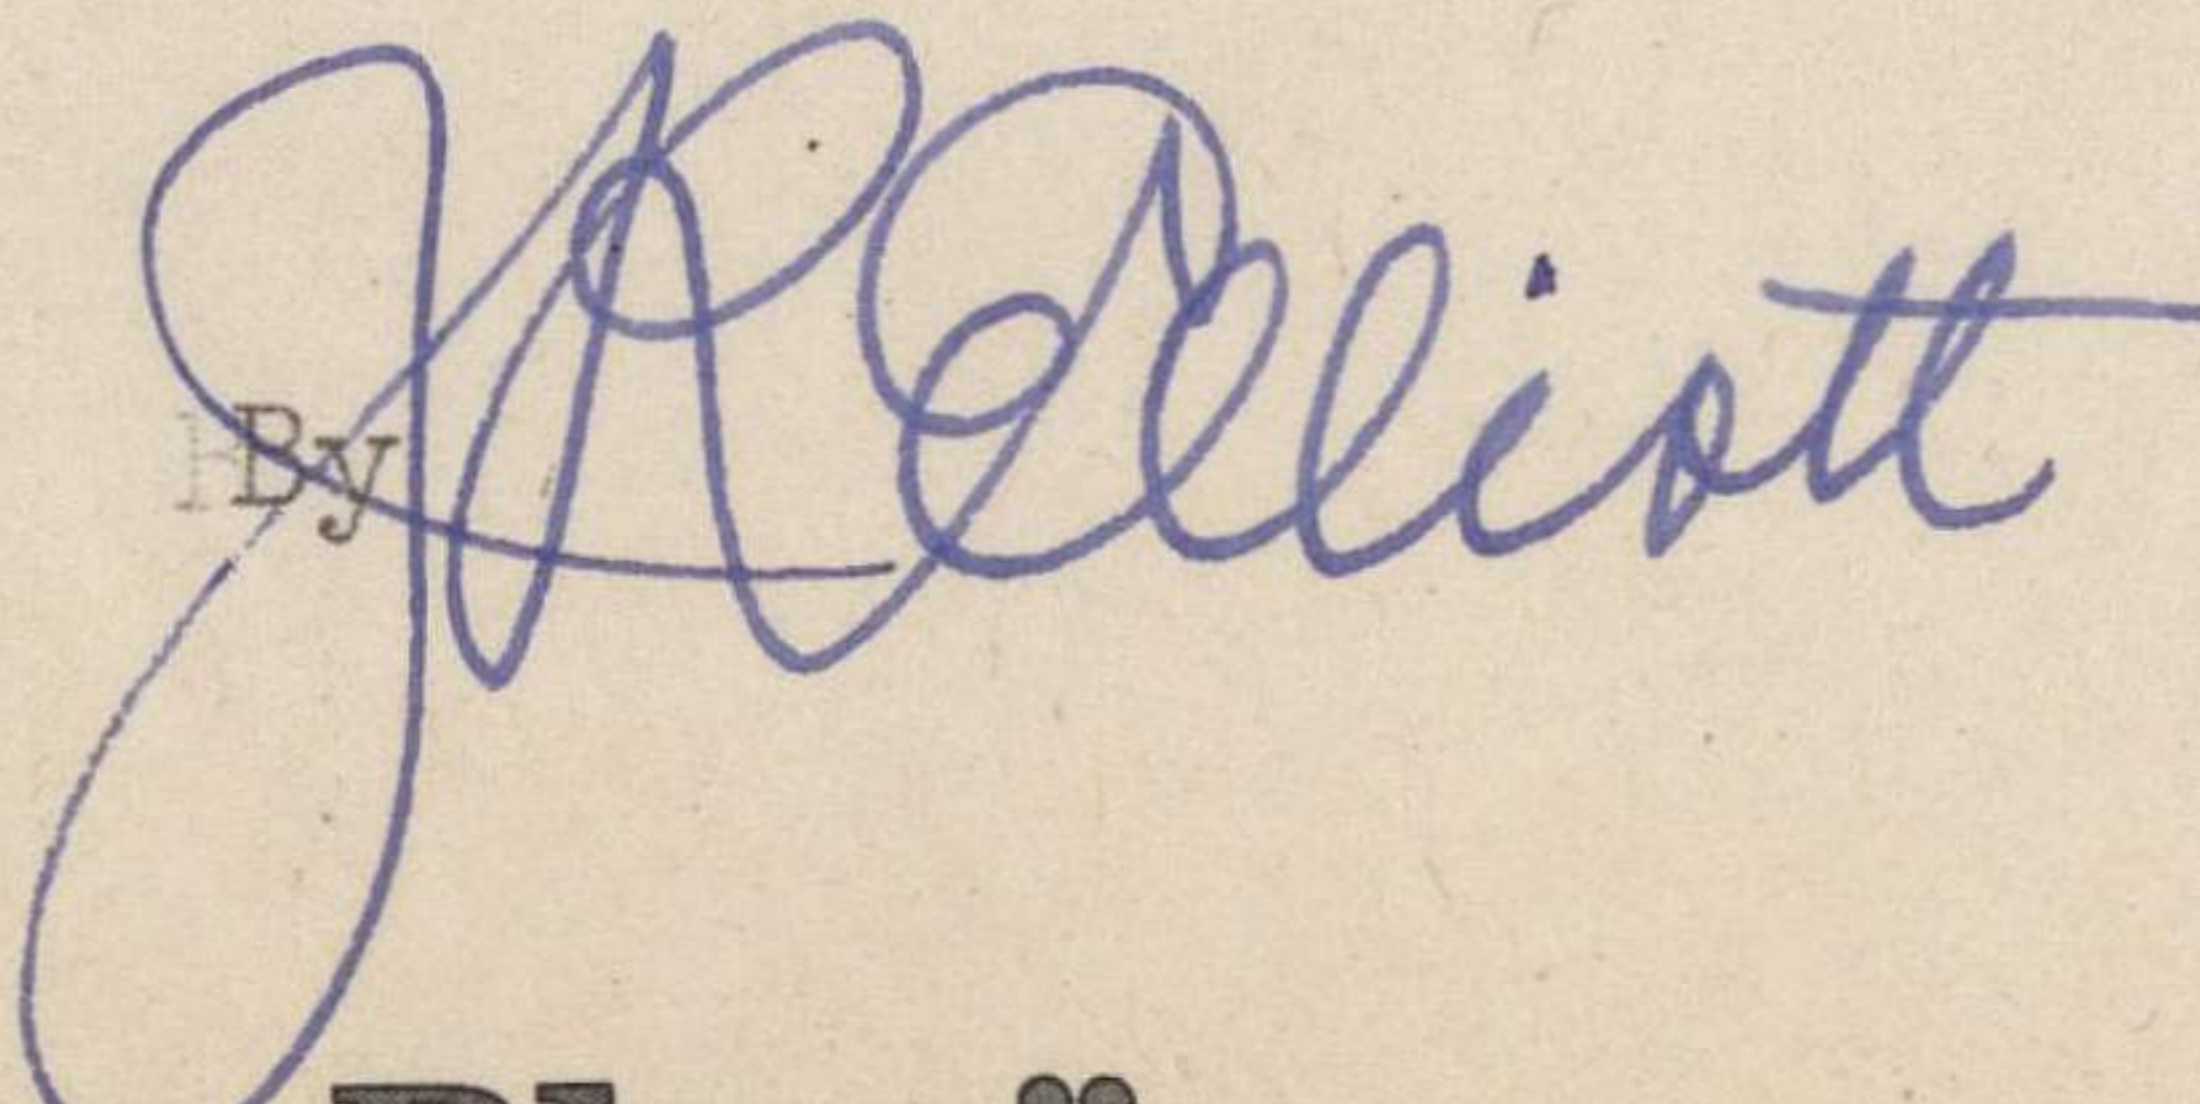

We thank you very much for the opportunity of placing this bid and hope to be able to furnish some of this equipment.

May we say that in view of present market conditions, our suggestion is that wherever you place your order, the quicker that you can place the order the better because under present market conditions with the O.P.A. ceiling off of all sporting goods of this kind, the manufacturers are certainly advancing prices very rapidly.

Yours very truly,

R. S. ELLIOTT ARMS COMPANY
