Mr. R. R. Strait,
Neodesha, Kansas.

Dear Mr. Strait:

I am writing to tell you that our formative program for compulsory physical education in our proposed war-time set up here at the University of Kansas is progressing nicely. I am submitting my letter to Dean George Baxter Smith, of the School of Education, this morning. I trust that he will be able to give me some information in the next week. As soon as I have any information whatsoever bearing upon your relationship I will inform you.

I enjoyed having the visit with you over the telephone.

Very cordially yours,
