BASKET ROOM PROCEDURE AND POLICIES

General.

Baskets will be assigned upon presentation of your fee receipt to the locker room supervisor, Mr. McElhinny. You will keep your basket throughout the first semester. In return for your fee receipt card, you will be given a towel card which you must present each time you wish your basket. BE SURE NOT TO LOSE THIS CARD! This card will only permit you to receive towels at your regular class period. If you wish to participate in intramurals, you may check out your basket upon presentation of your card but you will not be given a towel unless you have an additional towel ticket, which may be purchased at an additional cost of 75¢.

Class Procedure.

As soon as you get to the locker room go to the check-out window (on the East) and give your basket number to the attendant, who will give you your basket and a towel. You will be required to show your towel ticket to get your basket, so always carry it with you. You should provide yourself with a lock which you should leave on your basket except at the time you are taking exercise. You may keep your street clothes and basket in one of the lockers in the locker room and your lock should be placed on this locker (be sure to keep the key or combination). At the close of the exercise period, take your shower and return basket to check-in door (on the south). Be sure to remove your lock from the lockers as these lockers will be used by the next class. Lock your lock on the basket and place your towel on the top of the basket when you return the basket. Any baskets not containing towels will have the cost of the towel deducted from the deposit.

Articles in returned baskets must be placed neatly and not rise above the basket rim. The returned towel must appear clearly and be placed on top of the basket to insure that you will be given credit.

Caution! Be careful to avoid <sup>having</sup> socks, <sup>ers</sup> supports or other light articles ~~being~~ caught up next to the towel <sup>causing</sup> ~~occasioning~~ possible separation or loss.
