

It is our hope that we can obtain Mr. Strait and put him in charge of the service program. He is qualified for this by virtue of his organization work at Chanute and his graduate work at the University of Iowa.

We nominate Mano Stukey on account of the exceptional work that he has done at Hoisington and Stafford, and by virtue of the fact that he was one of our outstanding students and athletes. Stukey is married, and during his undergraduate days he and his wife were outstanding members of the Congregational Church under the leadership of Rev. King. Stukey was a star quarterback on the varsity, and a student leader of exceptional ability.

To insure the success of this program we consider it imperative that these needs of equipment and personnel must be met.

Very sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
