

November 17, 1942.

Professor A. J. Mix,  
Department of Botany.

Dear Dr. Mix:

I acknowledge receipt of your letter of the 16th instant regarding Mr. William Gyarfas.

We have arranged to supply Mr. Gyarfas with equipment that he claims he has lost. I am enclosing a copy of a notation that Mr. Wayne Replogle made concerning him. I had one contact with Mr. Gyarfas when he was in the office and he seemed insolent to me. I did not know, when I spoke with him, that Mr. Replogle had had any unpleasantness with him, but plainly the gentleman had a chip on his shoulder, and it is my purpose to call him in and inform him of his delinquencies.

Mr. Replogle requested that he remain present during the class hour, but he disregarded Mr. Replogle's instructions.

Once in a while you get a fellow like that who does himself no good, and Mr. Gyarfas is outstanding in that regard.

Assuring you of our desire to straighten out each one of these difficulties, I am

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
