Department of Physical Education

Dear Dean

At the beginning of the fall semester it was necessary for us to print a special folder showing the schedule of classes in the required physical conditioning course. For the spring semester I am wondering if you would desire to include the schedule of physical conditioning classes in your own printed schedule. If so, we will send the copy upon your request. I believe this will save much expense, and will also facilitate the enrollment procedure.

May I hear from you at your convenience?

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
