Dr. Forrest C. Allen
Director of phys Educa,

Dear "Doc"

This is just a short note to thank you for your quick reply to my request for a letter of recommendation. I really feel proud to read the things you say about me. I only hope I can always hold that faith ^{you have} in you. I feel that I will be able to get a break now. I think all I needed was a letter from you. if you will remember, it took only a letter from you to get me the job at Haskell, only a letter from you to get me the position at Augusta, and now I hope this one will do the work here.

Thanks a lot "Doc". Tell your wife hello for me.
Respectfully yours
Dave Shirk
