Every thing the government ~~don't~~
Doesn't have in there or it lease
is sure crowded w ith people. Visiting
here. Most of them Jews - The Jews
sure hate the army life - a few are
in my flight and all they do is
shrink & loathe. Cuss the Army.
You now have my opinion of Jews.
I wish Ray Evans had come on
this trig. Group. He was named but
didn't come - I don't know why. It
sure is a nice set up for Phy. Ed.
here. He would enjoy it.

I will see you in School in
1945.
