Dear Bill:

I was very happy to have your letter of the 20th instant and to know something of your experiences in the Supply Corps. Glad you liked the Jayhawk Rebounds letter. We will prepare another one soon and will keep you on our mailing list.

We are expecting 700 boys August 9th in the Army Specialized Training Program. Of course they all have to take physical conditioning, so we are adding four new men to our staff.

We had our first basketball practice yesterday afternoon, meeting the V-12 boys who are free at 4:30 for this practice. Henry Shenk is having summer football practice, and has about fifty boys reporting.

I am glad you had an opportunity to visit with the Chancellor on his trip East. I am sure you enjoyed learning at first hand of some of the things taking place on the campus.

With kindest regards, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
