Mrs. Alberta Hulteen,  
Secy., Dept. of Physical Education,  
Robinson Gymnasium,  
University of Kansas,  
Lawrence, Kansas.

Dear Mrs. Hulteen:

I have only my memory to rely on in answering your inquiry about Forrest Lee Hill since my gradebook is packed in Lawrence. However, I am certain it is correct so I shall not hesitate to forward the information.

The first quarter of the second semester a chap named Hill was in my social dance class. He had red hair and played on the varsity baseball team. I'm certain Mr. Shenk will know who I mean. He received an "A" from the course. I'm not positive of his name but I believe the boys called him Charlie.

Then the second semester I distinctly remember a Forrest Lee Hill who was withdrawn. Of this I am positive. Probably the college office sent over a notice and I neglected to make out a withdrawal slip for our files and they lost the original. Don't let them pull any of their usual tricks.

I certainly miss Lawrence and all of my friends. It will not be easy to stay away when September comes. However, I have a grand position with the government. At present they are sending me to a school for three weeks and we are covering a six months course so you can see how busy I am. Please remember me to Mrs. Webster and all of the rest. I hope you have a grand vacation and a pleasant summer. Also take care of that son of yours.

Sincerely yours,

*Melba Schelling*

*P.S. I never could type. I don't  
know why I even try.  
MRS.*
