Pfc. Otto O. Schnellbacher,
590th T.S.S., Flight C,
Barracks 12-17-1,
Gulfport Field, Miss.

Dear Otto:

Mighty glad to get your very lengthy and informative epistle. I enjoyed every bit of it and read it a couple of times.

We have a picture of the "triple triplets" up on our bulletin board. Capt. Ted O'Sullivan sent the glosses on to us here and we plan to have one framed and have it grace our sanctum sanctorum alongside our photostatic copy of Dr. Naismith's original thirteen rules of basketball. So when you come back you will find the heroes of '43 all hanging together.

I will make this letter short, Ott, as I am preparing our second mimeographed letter to the boys and you will get that shortly. Warren Hodges was in this morning. He brought his wife along - wanted to say goodbye to us as he is going tomorrow via Leavenworth for Davis, N. C. He is about the last of the gang of physical condition experts to leave.

Trust everything is going nicely with you, my boy. Nothing new on the hill, only I am taking a 7:30 and 8:30 class which causes me to get up at 6 o'clock every morning. Now isn't that something! But it is nothing as compared to 5 o'clock, only I believe if I were in O.C.S. they would get me to bed earlier than I turn in at the present time. Bob is coming in Friday, along with Eleanor. Eleanor graduated yesterday at Pennsylvania, and Bob will have a week or so before he starts his last half of his junior year in medicine.

With all good wishes, I am

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
