

As we are suppose to -

Guess what I do between 11 A.M. & 2 P.M. -

Play - baseball - Basketball - Football - We have
all the equipment that one could ask for so
Every ~~one~~ plays - I got started and didn't
stop didn't I. I appreciated the group better
I received - It was really a grand piece
of Master thinking - for I secured some valuable
addresses. I know you are busy, till you
don't know which way is up - But if you
ever get caught up - drop me a line and tell
me how your prospects for next year, Boys,
are coming along - See you in 1945 Sept
Maybe sooner if possible, Warkner has
been good lately - Must Close
