

Lawrence, Kansas. Dec. 6th 1942.

Dr. Forrest C. Allen.

Lawrence Kansas.

Dear Sir:- The rent for the ten-acre tract of prairie meadow, about which we were talking, and which the University used this year, would be one hundred dollars (\$100.⁰⁰) from Jan. 1st 1943 to Jan. 1st 1944.

This year it was rented to the University as an accommodation to them, while some of their tracts were temporarily out of use while being graded, which accounts for the low rent charged.
