Dear Dick:

I want you to know that I very much appreciate your kindness in sending me the clipping from the Washington News listing their all-American basketball team. I had not seen this clipping, and I appreciate not only your thoughtfulness in sending it to me, but your Dad's as well. Please convey to him my deep appreciation of his thinking of us.

I am presenting this to Fred Pralle because I know that he will be happy to see it.

With kindest personal regards and best wishes, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
