Dear Dr. Schaeffer,

I am sending you a copy of our Varsity basketball schedule for 1941-42.

Prior to this scheduled list will be a game between the Varsity and the Freshmen on the evening of Nov. 21. This is a part of the Homecoming festivities and it is also an attraction for the coaches and high school players of the Northeast Kansas League. The price of a single game including tax is \$1.00, and a season ticket is \$6.16 which includes 66¢ tax. Our seating facilities will not be ample to take care of the crowds this year, and I suggest that if you hope to see part of the games that you purchase a season ticket or else purchase one in partnership with someone else because when the basketball season starts the sale will be so heavy that there will be few if any single tickets reserved remaining.

Mr. Earl Falkenstien is our financial secretary and a letter addressed to him at the athletic office will receive prompt attention. However, if you desire to write to me I will be glad to take care of any reservations that you might care to make.

I enjoyed the short visit with you yesterday afternoon at the Auditorium.

Sincerely,

Director of Physical Education and Recreation  
Varsity Basketball and Baseball Coach
