Captain James N. Snyder, CAC,
Office of the Commanding General,
Fort Leavenworth, Kansas.

Dear Captain Snyder:

Upon receipt of your letter of November 24th I wrote to Dean Paul B. Lawson, of the College of Liberal Arts and Sciences, explaining the situation and asking him what can be done to have the "F" grade removed from your transcript.

I assure you we want to do everything we can to correct this error, and as soon as I hear from Dean Lawson I shall advise you.

Very sincerely yours,
