OFFICE OF THE COMMANDING GENERAL

In reply refer to:

Dr. Forrest C. Allen, Director of Physical Education
and Recreation, Varsity Basketball and Baseball Coach,
University of Kansas,
Lawrence, Kansas.

Dear Dr. Allen:

Received your letter of November 21, 1941, with reference to the
"F" grade in Physical Education on my transcript, for which I thank
you.

I believe it would be much better if some action could be taken
to have this grade withdrawn from my records, as every time I have
occasion to use a transcript in the future, I will have this same
difficulty. Then when my records have been corrected, would like to
have another transcript sent me, together with a letter explaining the
correction attached thereto and addressed to The Judge Advocate General,
War Department, Washington, D. C. Would appreciate your taking this
matter up with the Dean, as you suggest.

Since you state that the matter was entirely due to an error in
the Physical Education Department, and I should not have been given
this grade to start with, it would seem that some action could be taken
to withdraw it from my records.

Anything you could do for me would be appreciated.

With best regards, I remain

Sincerely yours,

James N. Snyder
