

November 29, 1941.

Mr. George Snyder,
Officer of the Campus DeLuxe,
2136 Learnard Avenue,
Lawrence, Kansas.

Dear George:

I am sorry that I was out of town when the solicitations were made for a remembrance for you.

I am sending you a check for \$5.00 to be used in your purchasing your own Christmas present. I am leaving the selection of the Christmas present to you, knowing that you will spend this on something that will give you durable joy and peace.

I have enjoyed the many years of association with you on the Hill and I want to say that no more considerate or kindly officer could have served us here. I am sure that you can look back on your many years of service with the full realization that you have made many fast and lasting friends.

My very best wishes go to you.

Sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball and Baseball Coach.
