

OFFICE OF
DEPUTY DISTRICT ATTORNEY
FOR LARIMER COUNTY, COLORADO
FORT COLLINS, COLORADO

March 11, 1942

Dr. F. C. Allen
Kansas University
Lawrence, Kansas

Dear Phog,

Enclosed is a clipping from our local paper. We are able to get the Topeka radio station at times and do in a fashion follow the Bix Six games. I remember how you used to say "co-Champion" to me -- now you know the "co-champs" are as good as the Champs, eh? Congratulations -- and we're proud of you and the team. Saw in the Denver Post sometime back about you telling some of the fellows -- seems to me it was in Chicago, and I told my wife that the paper might be critical of your remarks, but I knew who would be playing a great basketball team in the big six.

Frosty Cox had another fine team at C. U. this year. My boss, that is, the district attorney, was a football, basketball star at C. U. about 10 years ago.

Phog, give my regards to Bill Hargiss -- I am hoping to get back for a vacation sometime after my criminal trial week this month and commencement time. When are the Kansas Relays and the track meets at KU?

Kindest regards,

As ever,

Dale E. Shannon
