Mr. Otto Schnellbacher,  
Sublette, Kansas.

Dear Schnellie:

It was good to get your letter as of June 22nd, and I do hope that it will cease from its persistency in raining and interfering with your work.

Eddie Hall and Clif Nordstrom were by and they looked like a million dollars. Doubtless you have been visiting with them and know their destination is San Diego.

It has been quite cool for four weeks here, but I believe it is starting on the up-turn of real summer. Things are quiet but we do have a dance each Monday night out on the street in front of Bailly Hall (chemistry building), and they all have a very good time. We had about five hundred out last night, and Russ Chambers and his thirteen-piece band did the music in a very convincing and enjoyable style. Wish that you might have been here to have given the young ladies a break.

Drop me a line when you have time and let me know if Don Burt thought I was too rough. I didn't want to create a misunderstanding, especially in these war times, and I thought it the best way to have a very frank and earnest discussion. A lot of these coaches are still promising boys a lot of things, but I think they are all wet.

With all good wishes, I am

Very sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball Coach.
