

Till after harvest.

I haven't seen Don Burt for 2 weeks know.
So I am little lax on information.

If A. V. can get Don Burt, E. Houta inter,
E. H. Nicolet and Gene Sherwood, it has cleared
this part of the state of all it's best athletic men
for I don't know of any others. I am still
working and may be working for a long time yet,
before harvest, if it keeps on raining. I have
a good harvest job so we'll see you in the fall.
Drop me a line again.

Sincerely yours

~~W. H.~~
