

at K. O. without much trouble, I have him write you.
I think he could do K. O. basketball so good as well as
helping himself by going to a large school. He is 6'1" tall
and weighs 165 lbs. I don't know much ^{more} except I
am working 11 hrs a day at 20¢ an hour. I see rain here
last night so I have the morning off.

Write again.

Very Sincerely yours.

Alto Schellbacher.
