Dear Mrs. Sams:

This will acknowledge receipt of your letter
of the 20th.

I note what you say about coming to Lawrence
for the Graduation Exercises. Would like very much for you
to stop in to the office sometime during your stay so that
we might discuss a little more in detail Course No. 39, Elemen-
tary Playground Activities.

I think it a very fine arrangement for you to be
here during enrollment. We shall see to it that you do the same
work as you did last summer in "the pen".

Trusting to see you soon, I am,

Sincerely yours,

Director of Physical Education and
Recreation-Varsity Basketball and
Baseball Coach.

P.S. Dr. Allen had to leave for Manhattan with the Baseball team
before this letter was written. He asked that I sign the same for
him.

Secretary.
