My dear Dr. Allen:

We were notified some time ago by the Chancellor's office that Mrs. Josephine Sams might be listed on the Summer Session program to teach course 39, Elementary School Playground Activities, on a contingent basis, course to be offered only if ten or more students actually enroll, salary to be in line with the University scale if the enrollment materializes.

In case this information was not sent to you directly, I am notifying you in this manner.

Sincerely yours,
