Mr. Lee Stanford
Attorney at Law
Concordia, Kansas

Dear Lee:

It seems as if I can never catch up on my correspondence when the springtime rolls along, especially if I coach baseball following my basketball season.

I was very busy in the Grapefruit and Lettuce League telling the people why we didn't win the Championship out-right.

When your letter came, if we had had available people, I would have wired you or dropped you a note. But, each day I would postpone the letter thinking I would write you a letter of greeting as well as the answers to the questions that you desired.

We had only one real good baseball player and that was Knute Forrest. He is playing with the Iola Ban Johnson League Team.

I coached the baseball team this year after it had been held by two other football coaches, neither of whom had ever played baseball before and naturally it had run down considerably. And, although we won more games than we have in the last five years, we had a weak team, never-the-less, comparatively speaking.

Lee, I promise to do better if you write me again. And if you are in need again, I'll endeavor to help you out more than I was able to this time.

With all good wishes, I am,

Sincerely yours,

Director of Physical Education
and Recreation-Varsity Basketball
and Baseball Coach.
